

# Table of Contents

---

- Acknowledgements . . . . . iv
- Introduction . . . . . v
- Part One: Computerized Maintenance Management Systems**  
 Ted Cohen, MS CCE, University of California Davis Medical Center
  - 1 The Technology Management Program . . . . . 1
  - 2 Overview of the Generic Computerized Maintenance Management System . . . . . 7
  - 3 The Generic CMMS: Equipment Inventory, Equipment Maintenance,  
 and Repair History Core . . . . . 11
  - 4 The Generic CMMS: Workorder Modules . . . . . 21
  - 5 The Generic CMMS: Spare Parts and Vendor Service Management . . . . . 23
  - 6 The Generic CMMS: Reports and Utilities . . . . . 29
  - 7 Other Considerations in the Design of a CMMS . . . . . 47
  - 8 Installation, Implementation, and Ongoing Support Issues . . . . . 51
- Part Two: Computerized Maintenance Management Systems: Lessons Learned**  
 Editor: Ted Cohen, MS CCE, University of California Davis Medical Center
  - 9 Planning a CMMS Project . . . . . 57  
 Robert Stiefel, MS CCE, The Johns Hopkins Hospital  
 Ted Cohen, MS CCE, University of California Davis Medical Center
  - 10 Methods to Use in Evaluating Commercial Computerized Maintenance  
 Management Systems . . . . . 61  
 Ted Cohen, MS CCE, University of California Davis Medical Center
  - 11 Advantages and Disadvantages of Writing Your Own CMMS . . . . . 63  
 Robert Stiefel, MS CCE, The Johns Hopkins Hospital
  - 12 Using Laptop Computers as a BMET Field Service Tool . . . . . 69  
 Jon Rice, MS PE, The Biomedical Engineering Center, Sutter Health
  - 13 A Computerized Parts Management System . . . . . 77  
 Thomas J. Bauld, PhD, ARAMARK/Clinical Technology Services
  - 14 A Contract Management Module . . . . . 83  
 Thomas J. Bauld, PhD, ARAMARK/Clinical Technology Services
  - 15 The Benefits of Using a PDA as Part of a Computerized Maintenance Management System . . . . 87  
 William Moyer, CBET, St. Luke’s Health Network
  - 16 A Paperless Computerized Management Information System for Clinical Engineering . . . . . 95  
 Tim Staker, MBA, Grad Dip Business (Technology Management), Dip Eng, Biomedical,  
 Biomedical Engineering Australia
  - 17 Upgrading to a Paperless and Wireless Computerized Maintenance Management System  
 (CMMS)—Planning for a Successful Implementation: A Case Study . . . . . 111  
 Dennis J. Meseroll, MS, Brian de Francesca, and Col Lin Yeo, Asia Bio Systems
- Appendices**
  - A Generic CMMS Field Summary with Field Definitions . . . . . 127
  - B Developers of Computerized Maintenance Management Systems  
 for Healthcare/Medical Equipment Applications . . . . . 131
