The following is intended to help you determine what is needed to update your copy of ST79.

<u>Looking at your copy of ST79</u>	<u>How up-to-date is your copy?</u>	<u>What do you need?</u>
If the footer on page 1 includes: “ANSI/AAMI ST79:2006 and A1 & A2” then ...	Your copy is current. It already incorporates Amendments 1 and 2.	<b>Nothing</b>
If Section 8 begins on page 57 and Section 10 begins on page 83 then ...	Your copy included Amendment 1 at the time of purchase, but now needs Amendment 2.	Order <b>ST79-A2B</b> or <b>ST79-A2B-PDF</b>
If pages 5 and 42 include a second footer saying “ANSI/AAMI ST79:2006/A1:2008” then ...	You have previously added Amendment 1 to your copy. You now need Amendment 2.	Order <b>ST79-A2</b> or <b>ST79-A2-PDF</b>
If none of the above apply to your copy then ...	Your copy is outdated. It needs both Amendments.	Order <b>ST79-A</b> or <b>ST79-A-PDF</b> and <b>ST79-A2</b> or <b>ST79-A2-PDF</b> ( <i>Save time and order ST79-CO to quickly replace everything in your binder.</i> )

### When updating you copy of ST79, please keep in mind:

- If downloading the free PDF of an Amendment, print this on both sides of your paper.
- Please go through the Amendment page by page and remove the matching pages from your existing ST79 binder as you insert the replacement pages.
- Save time and effort by ordering the newly updated document in its entirety (ST79 or ST79-PDF) or a new set of text and tabs (ST79-CO) to quickly replace everything in your binder.
