Advancing Safety in Health Technology

## A Proclamation: 2022 Healthcare Technology Management Week

*Whereas*, as medical technology advances, healthcare facilities must keep pace by providing quality, well-trained professionals capable of understanding the complexity of medical equipment operation and applications; and

*Whereas*, the complexity of medical technology today and in the future makes it essential that those individuals responsible for the care, safety and accuracy of this equipment are recognized as an invaluable resource to the healthcare industry; and

*Whereas*, biomedical equipment technicians, clinical engineers, and other medical technology professionals uniquely serve patients, the medical community, and new technology development to improve the quality of today's healthcare; and

*Whereas*, these professionals research, recommend, install, inspect, and repair medical devices and other complicated medical systems, as well as advise and train others concerning the safe and effective use of medical devices, thereby controlling healthcare costs and improving patient safety; and

*Whereas*, the Association for the Advancement of Medical Instrumentation (AAMI) is a unique alliance of almost 7,000 members united by a common goal to increase the understanding and beneficial use of healthcare instrumentation; and

*Whereas*, AAMI's Technology Management Council (TMC) seeks to advance the interests of biomedical equipment technicians, clinical engineers, and other medical technology professionals; and

**Therefore, AAMI's TMC hereby proclaims May 15-21, 2022  
Healthcare Technology Management Week.**
