

Fellow Program

AAMI VISION

AAMI advances the safe and effective use of technology to improve health.

AAMI MISSION

AAMI leads global collaboration in the development, management, and use of safe and effective health technology.

PURPOSE

The purpose of the AAMI Fellow Program is to recognize AAMI members (current or retired) who have provided substantial direct leadership, service and contributions to AAMI and to the health technology field. Individuals who attain AAMI Fellow status are recognized by their commitment to the AAMI mission and vision, the depth and breadth of their accomplishments in six core areas (professional experience, education, presentations and publications, professional participation, certification, and technical contributions, awards/honors, and community service), the quality of their personal statement, and two letters of recommendation.

Application/Nomination Process

- ✓ All applicants must hold an active membership with AAMI. (Retirees and Emeritus members included)
- ✓ Applicants may self-nominate or be nominated by an AAMI member or other key AAMI supporter. In the latter case, individuals who are nominated will be contacted by AAMI to determine their interest in applying to be considered for the Fellow designation.
- ✓ All applicants must submit an application, a personal statement, a resume or CV, proof of the highest degree earned, proof of current certification credential(s) and licensures, and two letters of recommendation, one of which must be from a current AAMI member. If applicant is retired or emeritus, they must show proof of previous certifications. Letters of recommendation should not be from other Fellow candidates or from members of the Fellow Selection Committee.
- ✓ A one-time, non-refundable fee of \$100 is required to process a Fellow application.

Selection Process

- ✓ The AAMI Fellow Selection Committee reviews all applications and makes final selections based on materials submitted and quality of the application. Incomplete application packets will not be considered. The decision on an application is considered final. Candidates who are not selected may reapply the next year, under a streamlined application process. Please contact aamifellow@aami.org for further information.
- ✓ While all accomplishments will be evaluated, individuals who attain AAMI Fellow status are most recognized for their leadership and contributions directly to AAMI. Please be sure to list all relevant work and contributions to AAMI in each of the sections below, **as well as in your personal statement.**
- ✓ Candidates who are not initially accepted as a Fellow have up to three years to resubmit their application without paying another application fee.
- ✓ Selected candidates must submit to a background check before their Fellow designation is finalized.
- ✓ All Fellows receive an AAMI Fellow certificate and a commemorative pin, and will be recognized at a relevant AAMI event, in AAMI publications and on social media.

Fellow Program 2025 Application

APPLICATION PROCESS

A. AAMI members seeking Fellow designation must submit the following:

- ✓ A completed AAMI Fellow application. An applicant may receive a maximum of 300 points on their application.
- ✓ A personal statement of no more than 1,000 words that must include a minimum of two concrete examples of the impact of the applicant’s contribution to AAMI. In addition, the statement should discuss the impact the applicant has had in the health technology field, how the applicant has served AAMI’s vision and mission, and how the applicant plans to contribute in the future of AAMI if selected as an AAMI Fellow. The applicant’s personal statement may receive a maximum of 50 points.
- ✓ Two letters of recommendation, one of which must be from a current AAMI member. Letters of recommendation should clearly state the affiliation of the recommender, the relationship between the recommender and the applicant, and the length of time they have known one another. It should include specific examples of how the applicant has grown in their career, how the applicant has supported AAMI’s vision and mission, and what contributions and/or impact the applicant has had on the health technology field. Letters of recommendation may receive a maximum of 20 points each for a maximum 40 points total. Members of the Fellow Selection Committee and other Fellow applicants for the same class must abstain from writing letters of recommendation.
- ✓ Current resume or CV, proof of highest degree earned, and proof of current certification credential(s) or licensure(s).
- ✓ Retired and Emeritus AAMI members are encouraged to apply for the AAMI Fellow program.

B. Please PDF all application materials listed above and email them to aamifellow@aami.org no later than **5:00 PM ET, Thursday, January 16, 2025**. Candidates should keep a copy of their application and all supporting documents for their files.

C. Candidates must pay a one-time, non-refundable application fee of \$100. Payment must be received by the application deadline of **Thursday, January 16, 2025**. Payment may be made by credit card by calling 1-800-332-2264, or by sending a check, made payable to AAMI for \$100, to AAMI Fellow Program, Membership Department, 901 North Glebe Road, Suite 300, Arlington, Virginia, 22203.

D. Candidates will be notified of the final selection by email **by late Spring 2025**.

Any questions about the application process should be directed to Melissa Bowhay, AAMI Senior Director, Membership, at aamifellow@aami.org, or by phone at 703-253-8283.
