

AAMI

CORPORATE MEMBERSHIP

AAMI is the world's leading organization for advancing the development, management, and use of safe and effective health technology. Through standards development, industry-leading training, conferences and events, exceptional publications, and so much more, AAMI is shaping the future of patient safety.

AAMI's membership is comprised of a diverse and dedicated group of over 10,000 health technology professionals, with expertise encompassing the complete life cycle of a medical device—concept, development, production, regulatory compliance, clinical application, maintenance, and reiteration.

WHY JOIN AAMI?

DRIVE STANDARDS DEVELOPMENT

Have a voice and a vote at the standards table by participating in 230+ committees and working groups to develop national and international standards alongside regulators, government agencies, and other leading companies in the industry.

LEAD THE INDUSTRY

Chair/co-chair an AAMI standards committee as a member and participate on committees alongside regulators, government agencies, and global standards organizations, your opportunity to provide leadership within standards activities of importance to your company.

BE IN THE KNOW

Enjoy online access to *AAMI News*, streaming the most important news in health technology; *BI&T*, our peer reviewed journal covering trends, technical advances, and industry developments; as well as topical e-newsletters and special editions.

CONNECT & NETWORK

Be a part of the conversation with online access to *AAMI Connect*, a members-only discussion platform covering hundreds of topics, and network with the global health technology community at any one of AAMI's conferences and events.

PROFESSIONAL DEVELOPMENT

Develop your leadership skills by serving on one of AAMI's many boards, committees, and councils. Enjoy your member discount on training courses, and consider a private, customized course delivered in-house, in-person or virtually to your company. Write articles, present a workshop, serve on a panel—the possibilities are endless!

UNLOCK DISCOUNTS

Take advantage of discounts on advertising, exhibiting opportunities, eSubscriptions, publications, public and custom enterprise training, job postings, and much more!

CORPORATE MEMBERSHIP

HOW DOES MY TEAM BENEFIT?

A seat at the table. All employees of corporate members may participate on standards committees and working groups that produce standards, recommended practices, and technical information reports for medical devices. The standards development process provides an opportunity to work side by side with participating government agencies (e.g., FDA) resulting in standards that can facilitate the regulatory process.

Full access. Each corporate membership is allotted a determined number of corporate representative roles, individuals at your company that will benefit greatly from full access to all member discounts, members-only benefits and opportunities, and more.

Benefits to the Company:

- Deep discounts on all products in the AAMI Store, including 40% savings on standards and 30% discounts on eSubscriptions
- 10% discount on private, customized enterprise training and all public courses
- Savings averaging 30% on job placements via the AAMI Career Center and participation in AAMI's Career Fair at the AAMI Exchange
- 10% discount on all advertising with AAMI
- Nearly 20% discounted exhibit booth space at the AAMI Exchange

Benefits to the Representatives:

- Participation opportunities on over 230 technical standards committees and working groups. Corporate members can have one voting member, one alternate member and up to six liaisons per standards committee.
- Opportunities to serve on non-standards AAMI committees, such as the AAMI Board of Directors, BI&T Editorial Board, Awards Committee, and more.
- Access to AAMI Connect members-only discussion groups.
- 10% discount on AAMI education and 20% savings on certification offerings.
- Online access to AAMI's award-winning journals and newsletters.
- Deep discounts on all products in the AAMI Store, including 40% savings on standards.
- \$50 or more savings on AAMI Credentials Institute (ACI) certification exam and recertification fees.
- Free Healthcare Technology Management (HTM) resources for biomedical equipment technicians and field service engineers including recruitment resources, career development programs, and technical guidance documents.
